

COLLECTIVE INVESTMENT SCHEMES (UNIT TRUSTS)

Investment Application for Individuals

STEP 1: Understanding your investment

Before you invest:

- Read the applicable <u>Product Information</u>
 <u>Document, Minimum Disclosure Document(s)</u>
 (<u>MDDs</u>) and <u>Portfolio Supplement(s)</u> thus
 ensuring that you understand the benefits and
 terms of your investment. These documents are
 available on the website or from your financial
 advisor.
- Effective Annual Cost (EAC), is a measure which
 has been introduced to allow you to compare
 the costs that you incur when you invest in
 different financial products, and the impact it
 has on investment returns. It places you in a
 position to make informed decisions around retail
 savings and investment product choices. The EAC
 calculator and further information is available on
 the website or from your financial advisor.
- It is important to note that because the Administrator does not provide financial advice, you are able to appoint an approved and licensed Financial Advisor (provided they have a contract with us), should you require guidance with your Portfolio selection.

STEP 3: Process payment

Account Name: Prime CIS Inflow

Account Type: Current Bank: RMB

Branch: Johannesburg
Branch Number: 255005

STEP 5: Look forward to your Investment Confirmation

- Please take note of the processing timelines pertaining to your investment instruction/s as set out in the <u>Product Information Document</u> and the <u>Portfolio Supplement(s)</u> related to your chosen Portfolio.
- Please also be aware that we will only be able to process your investment once all related investment documents have been received and your investment reflects in the trust bank account
- You will receive a confirmation from us once we have received a complete set of investment documentation, as well as an investment confirmation once your contribution has been invested.
