# Infrastructure & Development Fund | Bond Composite

31 July 2025 - Issued: 15 August 2025

## **FUND DESCRIPTION**

The Mergence Infrastructure & Development | Bond Composite aims to invest in a diversified combination of infrastructure debt assets that will result in superior risk adjusted returns, whilst supporting the development of both social and economic infrastructure services. This Fund forms part of the Mergence suite of Impact Funds. It is a yield enhanced bond portfolio that targets attractive returns through a combination of investment grade listed exposure and high quality unlisted yield enhancing infrastructure assets. The Fund aims to provide a measure of liquidity whilst providing exposure to attractive infrastructure investments. The Fund is managed with regard to prudent credit concentration exposure, dynamic interest rate risk management and robust counterparty assessment. The Fund is allowed to invest up to 50% in unlisted debt. The Fund is thus expected to generate attractive risk-adjusted return over that of the ALBI.

## Mergence Renewable Energy Debt Fund

The Mergence Renewable Energy Debt Fund is a Development Impact Fund which invests into the renewable energy sector enabling investors to achieve targeted investment returns together with social and environmental impact. This Fund invests primarily in the construction, commissioning and operation of renewable energy projects within South Africa's REIPPP Programme, and aims to achieve the maximum risk-adjusted return possible from this asset class. The Fund invests predominantly in the debt of viable renewable energy projects.

## Mergence Infrastructure & Development | Debt Fund

The Mergence Infrastructure Debt Fund is a socio-economic impact fund that invests in projects and businesses that encourage and enhance growth and development in SA. This Fund aims to invest in debt investments issued to create positive and sustainable social and/or economic impact beyond the financial return.

# Other Infrastructure and Development Funds

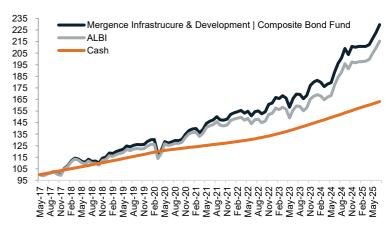

These will comprise investments in related funds established to enhance and complement the Infrastructure and Development suite of funds (e.g. a housing fund).
